25X1

NIO for Conventional Forces. Mr. Travers said he had discussed this with Senator Nunn and he agreed to an informal briefing with [REDACTED] but requested that General Hollingsworth also be present. Travers asked if that would present any problem. I said I would check and let him know. He asked that I get back to him as soon as possible.

25X1

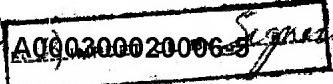

3. [REDACTED] BRIEFING Met with Keith Adkinson, Senate Government Operations Permanent Subcommittee on Investigations staff, and discussed Senator Sam Nunn's (D., Ga.) request for a briefing on the Agency's role and relations with DEA in carrying out its activities in combatting illegal narcotics trafficking into the United States. I told him that Mr. Ted Shackley, Associate Deputy Director of Operations, will conduct the briefing and asked if Senator Nunn's schedule would permit a meeting Tuesday or Wednesday afternoon of next week. He called me back later and said he will not know Senator Nunn's schedule until Monday and will call me then. Mr. Shackley's office was advised.

4. [REDACTED] LIAISON Received a call from Craig Pettibone, Civil Service Commission, concerning the eligibility of reemployed CIARDS retirees for further retirement benefits, and from Richard Grawey, House Government Operations Subcommittee on Manpower and Housing staff, on the same subject. (See Memorandum for the Record.)

6. [REDACTED] LIAISON Met with Bill Hogan, Counsel, House Armed Services Committee, and gave him a copy of the Agency's response to Mr. Robert E. Shelton, GAO, responding to a number of questions concerning the CIARDS retirement program.

Hogan gave me a copy of a letter from Representative John J. Rhodes (R., Ariz.) to the House Armed Services Committee enclosing a circular urging that the Congress investigate the charges of Dr. Peter Beter that the Soviets have released radioactive plutonium upon the United States, planted underwater nuclear missiles in United States waters, etc. Hogan asked that we provide the Committee with information upon which they will base a reply.

Hogan returned to me a number of Agency documents which had been provided to the Committee in response to several requests.

7. [REDACTED] LIAISON Ted Ralston, Senate Select Committee on Intelligence staff, called and we arranged for a meeting at 2:00 p.m. on 25 March for his continuing review of 38 "Blue Strip" reports.

25X1

8. [REDACTED] LIAISON Called Hal Ford, Senate Select Committee on Intelligence staff, in regard to the Senate Select Committee on Intelligence request of 23 July 1976 for access to approximately 40 reports prepared over the years on the Intelligence Community. I told Ford we had been able to release all but three of the reports and that I have been trying since September 1976 to obtain NSC approval for release of the final three. I said it was apparent that I was unsuccessful and I asked him to take up the issue of the release of the three reports directly with the NSC. He agreed to do so.

I also asked Ford about S. 305 and Ford verified that he and Stan Taylor, also of the Committee staff, were attempting to set up a meeting on this bill for the Senate Select Committee on Intelligence Members who are also on the Senate Committee on Banking, Housing and Urban Affairs.

9. [REDACTED] LIAISON Talked to Stan Taylor, Senate Select Committee on Intelligence staff, several times during the day regarding the latest proposed amendments to [REDACTED] news release. Taylor gave me some suggested language which he would be proposing as a substitute to the most troubling section of the Committee's version, and asked me to get an informal reading on it before he submits it to the Committee. I later called him back to tell him that it was an improvement but we still had problems with it. He said that it was viewed as too mild by the Committee and so it apparently wasn't acceptable to the Committee either.

25X1

I also discussed with Taylor the Committee's request of 27 January for [REDACTED] related documents. Taylor said all the Committee's interests in viewing these documents had been satisfied.

7. [REDACTED] BRIEFING Spoke with Mark Bisnow, in the office of Representative Don Bonker (D., Wash.), who asked if we could give him a private briefing on Zaire since the Congressman would be unable to attend the briefing scheduled for 4:00 p.m. this afternoon before the full House International Relations Committee. I told him that we would be unable to schedule a briefing on such short notice, but added that nothing new of significance had taken place since our earlier briefing of Mr. Bonker.

25X1

8. [REDACTED] BRIEFING Called Tom Smeeton, House International Relations Committee staff, and suggested to him that Representative Edward Derwinski (R., Ill.) might want to invite Representative William Broomfield (R., Mich.) to the briefing on world-wide trouble spots set for 25 March 1977. 13. (Internal Use Only - GLC) LIAISON Talked several times with Bill Miller, Staff Director, Senate Select Committee on Intelligence, and Stan Taylor, also of the Select Committee, regarding our concerns over the Committee's action in tentatively accepting Senator Gary Hart's (D., Colo.) changes in the draft statement [redacted] I advised them of Mr. Knoche's conversations last night with Chairman Daniel Inouye (D., Hawaii) and his effort to reach Senator Barry Goldwater (R., Ariz.) on this subject. I mentioned to Miller, Chairman Inouye's suggestion that we also contact Senators Jake Garn (R., Utah) and Richard Lugar (R., Ind.) and any other members we wished, to assert our concern over the statement. Miller met with the Chairman during the course of the morning and advised me that Senator Hart and the Chairman plan to get together to discuss this matter. I also advised that Mr. Knoche had talked with Senator Hart on this subject last night and Senator Hart felt that he and the Chairman could work the matter out, therefore, it would be unnecessary for us to make direct contact with individual members, at least at this time.
